The quality of the genuine sun cured tobacco used in REYNOLDS' Sun Cured and grown on soil where the best sun cured tobacco grows, has caused imitation brands to be brought out and offered as the genuine Reynolds' Sun Cured to unsuspecting dealers and chewers who do not look closely at the printing on the box and on the tag.

These brands only initiate the outward appearance and do not possess the genuine invide an other transfer.

These brands only imitate the outward appearance and do not possess the genuine inside quality that has been found in Reynold's Sun Cured ever since Reynolds' Sun Cured was introduced and which has so increased the chewing of sun cured tobaccos and proven so popular, that the word "Sun Cured" is now printed on tags or in the advertising of many brands claimed to be genuine sun cured tobacco.

Did you ever see the word "Sun Cured" used in any thewing tobacco, advertisement.

chewing tobacco advertisement, or on any chewing tobacco tag or label, or in any other way, before it was introduced and

tag or label, or in any other way, before it was introduced and used to identify the genuine Reynolds' Sun Cured? You see it frequently now, because many imitation brands are being made to appear as nearly like Reynolds' Sun Cured as they dare—with tag, shape of plug and style of package so similar that experienced buyers sometimes accept these imitations as the genuine Reynolds' Sun Cured.

Don't be deceived into taking imitation brands for the genuine. Be sure the letters on the tag spell "R-e-y-n-o-l-d-s' Sun Cured," and you get the best value in sun cured chewing tobacco that can be produced for chewers. Sold at 50c. per pound in 5c. cuts; strictly 10c. and 15c. plugs, with chewing qualities like that which was sold from 60c. to \$1.00 per pound before Reynolds' Sun Cured was offered to the trade, before Reynolds' Sun Cured was offered to the trade,

cause they go directly to the sent of the disorder, purifying and enriching the blood.

Mrs. Henry Cota. of West Chester, Conn., is the wife of the vilinge machinist. "Several years ago," she says. "I was laid up with rheumatism in my feet ankles and knees. I was in constant pain and sometimes the affected parts would swell so badly that I could not get about at all to attend to my household duties. There was one period of three weeks during which I was confined to the bed. My sufferings were awful and the doctor's medicine did not help me.

"One day a neighbor told me about Dr. Williams' Pink Pills and I decided to try them. After I had taken them a short time I was decidedly better and a few more boxes cured me. What is better the cure was permanent."

Remember Dr. Williams Pink Pills do not act on the bowels. They make new blood and restore shattered nerves. They tone up the memach and restore impaired digestion, bring healthful, refreshing sleep, give strength to the weak and make miserable, complaining people strong, hungry and energetic. They are sold by all druggists, or will be seet postpuid, on receipt of price, 50 cents per hox, six hoxes \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
